

If you don't feel comfortable completing the survey....

Sometimes it is hard to revisit the past. It can be hard putting things 'down on paper' without a conversation.

At Highfields we strongly believe face-to-face conversations can make all the difference.

If you want to discuss this survey with us, then please contact one of the following Highfields staff on **0161 406 7922**:

- Mrs McFadyen, SEND Coordinator
- Mrs Hibbert, Emotional Well-Being Lead
- Mrs Lewis, Head of Y7, Y8, Y9
- Ms Fletcher, Head of Y10 and Y11

Highfields Childhood Experiences Survey

What is this?

Inside this leaflet is a survey that looks at any disruptive events your child might have experienced and at what age.

Why do Highfields ask for this information?

As part of our work to understand each child at our school - and to help them develop - we need to know what difficult experiences they have had.

This information will help us put in place the right support and mentoring.

What do Highfields do with this information?

Our motto at Highfields is 'life happens'. We treat this information sensitively - we never judge parents, we just look to support. After all, many of us will have been through similar events.

We store this survey securely on our database and will only share it outside of Highfields with your permission.
